There are no short-cuts to becoming a Witch. Traditionally, students take a year and a day to prepare for their initiation into the Craft. Based on this age-old custom, Wicca: A Year and a Day is a one-of-a-kind daily guide that introduces Witchcraft over a 366-day cycle.

Ideal for solitary students, this intensive study course teaches the core content of Wiccan practice: the tides of time, the wonders of the seasons, the ways of herbs and magic, the mysticism of the Old Ones, and the inner disciplines of seers and sages. Daily lessons include exercises, Wiccan theology and lore, and discussions relating to circle work, magical correspondences, holidays, deities, tools, healing, and divination.
